

Be Involved. Be Informed.
Be a Piece of the PTA.

*It's always the small pieces that make the big picture.

When you join PTA, you join a community that encourages student achievements and enriches the learning environment. We believe in building partnerships between our families and our school. We believe TOGETHER we can help our children be successful.

As a parent, we understand time is a precious commodity, and we don't plan to waste yours. We are planning informative meetings this year -- attendance is not required, but we encourage you to attend to learn how the PTA benefits the Students and Teachers at Reskin. Your level of involvement is completely up to you.

Becoming a Member of the PTA means you become a piece of something bigger. Be involved in your child's education while becoming part of an organization with the goal of improving the experience of all students at Reskin. Consider volunteering your time, resources or skills to help us build a stronger, better, more effective PTA.

Yes, I would like to join Reskin PTA for the 2018 – 2019 School Year!
